

441.115 Jail staff training program -- Jailer's training expense allowance -- Eligibility allowance.

- (1) For the purpose of raising the level of competence of jailers and jail personnel, the department shall maintain a jail staff training program to provide training for jailers and jail personnel consistent with the standards promulgated pursuant to KRS 441.055 and shall keep records of jailers and jail personnel who satisfactorily complete basic and annual continuing education. The training program shall include training on the human immunodeficiency virus infection and acquired immunodeficiency syndrome approved by the Cabinet for Health and Family Services. A curriculum advisory committee composed of jailers, their representatives, and recognized professionals in the field of jail administration shall advise the department concerning the training needs of jailers and jail personnel. The jail staff training program shall be directed and staffed, in coordination with the Governmental Services Center at Kentucky State University, by knowledgeable persons who have sufficient experience, training, and education in jail operations. The department shall not charge a fee for training jailers, their deputies, or jailers-elect.
- (2) Beginning in August, 1982, each jailer shall receive an expense allowance to help defray the costs of his participation in the jail staff training program. The expense allowance shall be in the amount of three hundred dollars (\$300) per month payable out of the State Treasury. Expense allowance payments shall be discontinued if the jailer fails to satisfactorily complete annual continuing training. Expense allowance payments shall be resumed following a discontinuance for failure to satisfactorily complete basic or annual training only upon the jailer's satisfactory completion of the training.
- (3) The allowance authorized in subsections (2) and (4) of this section shall be considered as operating expenses of the jailer's office and shall not be considered as part of his compensation. Jailers shall not be required to keep records verifying the expenditures from the allowance provided by the state.
- (4) In order to receive the expense allowance for their first year in office, jailers who have been elected to office for the first time, shall, before taking office, successfully complete a training program designed for new jailers and conducted by the personnel of the jail staff training program. This provision shall not apply if the jailer-elect is ill and unable to complete the training before taking office. In such cases, the jailer-elect shall successfully complete a new jailer training program during his first year in office in order to receive the expense allowance. The county or urban-county government in which the jailer-elect serves shall pay out of the jail budget, once he takes office, all necessary and reasonable travel expenses incurred by the jailer-elect in attending the new jailer training program.
- (5) All jailers shall successfully complete the training required. If a jailer does not successfully complete the required training within the time specified, he shall not receive the expense allowance specified in subsection (2) of this section until he successfully completes the required training.
